

**The Falls at Sheridan**

**Architectural Review Permit for addition of a swimming pool**

**The approval of the application for the addition of a swimming pool is contingent upon the following.**

**Upon completion of construction, the street, sidewalk, sewers and sod are to be returned to the same condition in which they were prior to construction.**

**This includes resealing of the asphalt street, if necessary.**

**This is in addition to any requirements of the City of West Melbourne permits.**

**Your approved permit will be issued to you when the ARC Committee receives the signed copy of this form.**

**Signed** \_\_\_\_\_

**Date** \_\_\_\_\_
